Mrs. Fannie Preslor,
Florence, Texas.

Dear Cousin Fannie:

Two years ago I was in Cousin Della's home at Waco and had luncheon. I wanted to come to see you, but on account of the weather I could not.

I planned to go to Texas this Fall, but have been so tied up could not get away. I am coming sometime perhaps when you will not be expecting me.

Kindly pardon a machine letter, but I just do not have the time to write by long hand.

Give my love to your Father, Mother, brothers, and all the family. Tell them that I hope they will have a pleasant Thanksgiving and that their health will continue to be good; also that I may see them within a few months.

Accept love from all the family and come to see us sometime.

Sincerely,

JCC:S
